Study of growth and mineral uptake of GF677 (peach and almond hybrid) rootstock in response to matric potential and agar concentration <i>in vitro</i> M. Mashayekhi, M.E. Amiri and F. Habibi	1
Effects of ionic toxicity of sodium chloride on some physiological and biochemical characteristics of spearmint (<i>Mentha spicata</i> L.) Z. Safari Mohamadiyeh, M. Moghaddam, B. Abedy and L. Samiei	3
Optimization of callus induction and micropropagation of four varieties of grape (<i>Vitis vinifera</i> L.) S. Hajizadeh Sisakhti, M. Dehdari, A. Masoumiasl and M.A. Ebrahimi	5
Effect of integrated application of manure and urea and foliar application of micro elements on growth and physiological indices of medicinal pumpkin (<i>Cucurbita pepo</i> var <i>styriaca</i>) A.R. Dehghani Tafti, I. Allahdadi, F. Najafi and M.H. Kianmehr	7
Callogenesis and plantlet regeneration from two Iranian accessions of bitter melon medicinal plant (<i>Citrulus colosynthis</i> L.) <i>in vitro</i> condition Z. Gasemi and A. Masoumiasl	9
Effects of plant density on flower, essential oil yield and some important agronomic indices of Borage (<i>Borago officinalis</i> L.) K. Tazeh, I. Piri and M. Mostafavi Rad	11
The effect of opportune harvesting time on the fruit quality of pomegranate Shekar, Shirin and Sangak cv. K. Nikdel, E. Seifi, M. Sharifani and Kh. Hemmati	13
Effect of medium, explants and BA on somatic embryogenesis induction in two Iranian native orchids Sh. Moradi, Sh. Dianati Daylami, K. Vahdati and M. Arab	15
Effects of animal manure levels and bulb weights on yield, yield components and essential oil contents of black zira (<i>Bunium persicum</i> Bioss.) S. Khorramdel, P. Rezvani Moghaddam, Gh.A. Asadi, S.M. Seyedi and H. Azizi	17
